

THANK YOU COLUMBIA BASIN TRUST COMMUNITY INITIATIVES PROGRAM

On behalf of the residents of Area B of the RDCK I would like to offer our thanks for the Columbia Basin Trust Community Initiatives Program. Over the past four years Area B residents and valley organizations have received over \$200,000 dollars in support allocated to Area B. This funding has gone a long way to supporting non-profit societies and volunteer groups giving of their time and efforts to make our valley better.

To Neil Muth, President and CEO of Columbia Basin Trust and to all of the fine folks who work to administer this program on behalf of the Trust, **THANK YOU!**
