

One of the goals of the ERICKSON COMMUNITY ASSOCIATION has been to gather together the history of Erickson.

Some people have begun this task. One person suggested that an outline be drawn up as a model to assist in providing information.

The following is a history outline that could be used to help us in this task:

- Your family name
- When did your family move to Erickson?
- From where did they come?
- How many people came?
- What property did they purchase and what was the size of the property?
- Who was the previous owner? Do you know the price that was paid for the land?
- Were there existing buildings; a house etc.?
- What kind of work did the family do? Did someone come because of employment?
- Who were your neighbours?
- Did your family have children of school age? Where did they go to school? Do you know the names of the teachers?
- Additional information that tells what was happening during the time your family was here.
- How many of the family are still in the valley?
- Where have other members of the family gone?

We would appreciate any stories or pictures that you might wish to share. You may submit your "pieces of Erickson history"

by mail to ECA Historian, Sharon Brennan  
Box 9, Erickson, BC V0B 1K0

Or by email to Elaine Keeling at: [mekee@shaw.ca](mailto:mekee@shaw.ca)

**Thank You**
